1 INTRODUCTION

1.1 Purpose of this document

This document contains the description of the release version 1.0.0 of the European Interoperability Cartography (EIC).

1.2 Release date

Version 1.0.0 of the EIC has been released on the 18st of June, 2018 on [Joinup](#).

1.3 Description

The **European Interoperability Cartography (EIC)**, as defined by the Decision (EU) 2015/2240 is a

"repository of interoperability solutions for European public administrations provided by Union institutions and Member States, presented in a common format and complying with specific re-usability and interoperability criteria that can be represented on the EIRA".

The Decision (EU) 2015/2240 further states that

"interoperability solutions and updates shall, where appropriate, be included in the EIC and be made available for re-use by European public administrations".

Details on the individual components of this release are provided in the Chapter 2, "Release components".

1.4 List of acronyms used in this document

Table 1-1

| Acronym | Description |
|---------|--|
| EIRA | European Interoperability Reference Architecture |
| EIC | European Interoperability Cartography |

2 RELEASE COMPONENTS

This EIC release consists of the following release components.

2.1 [EIC v1.0.0 description release component](#)

A document containing information about the solutions included in the EIC v1.0.0.

| Modification | Details |
|---------------|---------|
| Version 1.0.0 | |
| | |

2.2 [EIC v1.0.0 Cartography release component](#)

Archimate® models of the solutions contained in the EIC v1.0.0

| Modification | Details |
|---------------|---------|
| Version 1.0.0 | |
