News

Sustainability

- hard to reach out to smaller municipalities
- some became members of our association
- no business model yet
- additional services with additional budget

Next steps

Offener Haushalt

- data.offenerhaushalt.at just launched
- data upload from municipal finance software planned
- grants and subsidies of Innsbruck, Wels and Bregenz coming up
- develop a business model:
 - get more municipalities to join in additional services
 - o premium services for paying customers?
- 8 more provinces auf Austria...
- sell/re-use it in other countries?
