

Digital Public Administration infographic 2022 Germany

Highlights

Political Communications

On 6 July 2021, the federal cabinet adopted the [Open Data Strategy](#) of the German Federal Government. The overarching data policy framework for the open data strategy forms the German government's data strategy and its objectives, which also include open data.

Legislation

On 23 July 2021 entered into force [the second Open Data Act](#). With the amended Act, the legislator has refined the existing obligations of the EGovG for the federal administration in various areas and has significantly extended the range of authorities obliged to do so.

Governance

Since June 2020, the competence for the digital transformation of Germany's administration is pooled in a separate Directorate-General for the 'Digital Administration and Management of the Online Access Act' within the Federal Ministry of the Interior and Community.

Infrastructure

Since 1 January 2022, a new project ProvideQ has been working on bridging the gap between industrial applications and the practical use of innovative quantum computers
