

Digital Public Administration infographic 2022 Malta

Highlights

Political Communications

In December 2021, the Maltese Ministry for Justice and Governance launched its new [Digital Justice Strategy](#) for the years 2022-2027, which seeks to adopt a strategic framework to make further use of the available technologies, respect the rule of law and the substantive and procedural rights of all citizens.

Legislation

In June 2021, the [Regulation \(EU\) 2021/887](#) came into force, establishing the European Cybersecurity Industrial, Technology and Research Competence Centre and the Network of National Coordination Centres.

Governance

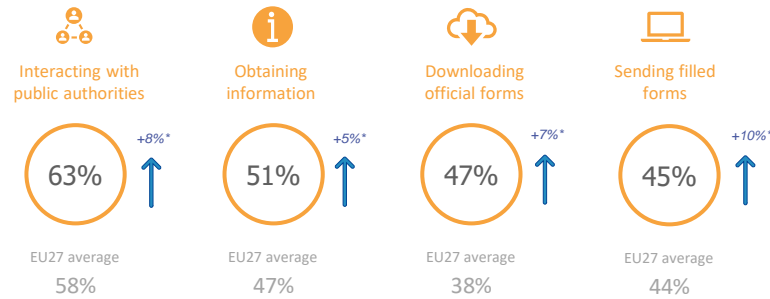

Business First, a joint venture between Malta Enterprise and the Malta Chamber of SMEs, is currently working on creating a Business Portal which, when implemented, will contribute towards the national strategy in transforming Malta into a digitally enabled economy across all sectors of society.

Infrastructure

A Legal Notice is currently in the process of being established for the implementation of a Person Register which shall provide measures to facilitate the sharing and re-use of personal data between public sector bodies.
