

## EIRA version 0.8.3 beta

### Release date

This version has been released on 09 January 2015.

### Description

This version focused on updating the colour schema of the EIRA to have only one behavioural building block per view.

### Release components

It consists of the following release components:

1. [EIRA v0.8.3 beta Overview.PPTX](#): PowerPoint file containing an introduction to and overview of the EIRA, including the narratives.
2. [EIRA v0.8.3 beta Overview.OPD](#): OpenDocument Presentation version of the PowerPoint file to enable interoperability with an open data format.
3. [EIRA v0.8.3 beta Overview.PDF](#): PDF version of the PowerPoint file, to have a read-only version readable by anyone.
4. [EIRA v0.8.3 beta ABBs.XLSX](#): Excel file containing the Architecture Building Blocks (ABBs), their definitions (along with its source) and examples.
5. [EIRA v0.8.3 beta ABBs.ODS](#): OpenDocument Spreadsheet version of the Excel file in order to enable interoperability with an open data format.
6. [EIRA v0.8.3 beta ABBs.PDF](#): PDF version of the Excel file, to have a read-only version readable by anyone.
7. [EIRA v0.8.3 beta Views.VSD](#): Visio file containing the 4 different EIRA views along with the context view.
8. [EIRA v0.8.3 beta Views.VSDX](#): XML drawing version of the Visio file to enable interoperability with an open data format.
9. [EIRA v0.8.3 beta Views.PDF](#): PDF version of the Visio file, to have a read-only version readable by anyone.
10. [EIRA v0.8.3 beta Release document set.ZIP](#): Zip file containing each of the above mentioned files.
11. [EIRA v0.8.3 beta Release notes.PDF](#): PDF document containing the release notes.
