

Directive 200398EC	
Summary	
ID	EU41
Initiative	European Commission
Short description	<p>The Directive 2003/98/EC of 17 November 2003 emphasizes the re-use of public sector information in the area of the internal market. It resolves the objectives of establishment of an internal market and a system ensuring that competition on the internal market is not distorted. Harmonisation of the rules and practices in the Member States related to the exploitation of public sector information contributes to the achievement of these objectives.</p> <p>This directive contains the following chapters: chapter 1 on general provisions, chapter 2 on requests for re-use, chapter 3 on conditions for re-use, chapter 4 on non-discrimination and fair trading, and chapter 5 on final provisions.</p>
